Neil Bourke	Sally Egan	Rebecca Donaldson	Francesca Peterson Thi Nguyen	Rosa Do Tam Tran Tina Bithio
<p><b>Outcome 1 – Children have a strong sense of identity.</b></p> <p>We have looked at who is in our families and identified that all families are different. We have done this through discussions, songs, and stories. We will continue to further explore ourselves as individuals, as families and as a community, building on the children’s sense of identity.</p>		<p><b>Outcome 2 – Children are connected with and contribute to their world</b></p> <p>The children have been sharing the different things that they have been up to on the weekend. This has become a real talking point for the children especially when they realise that some of them have been to the same places.</p>		<p><b>Outcome 3 – Children have a strong sense of wellbeing</b></p> <p>The children have been very engaged with learning new games and skills in outdoor play. Our favourite game is still currently Duck, Duck, Goose but we have also enjoyed throwing balls and soccer as well as the cup and ball game.</p>
<p><b>Outcome 4 – Children are confident and involved learners</b></p> <p>The children have loved exploring different mediums to create and make meaning. We have used paint, spray bottles, their hands, collage materials, boxes, pencils, crayons, and textas. As the children have become more confident in using these materials they have become more creative in their art and are starting to talk more about what they are doing.</p>			<p><b>Outcome 5 – Children are effective communicators</b></p> <p>The children have been very actively engaged in ICTs this term and we have been using it to help to build vocabulary as well as develop ICT skills such as taking a picture, shrinking and enlarging items and deleting items.</p>
